Atlas Industries Ltd.

220 Ave J South
Saskatoon, Saskatchewan S7M 2A3
www.atlasindustries.ca

Atlas Industries Ltd. was founded in 1974 on the principles of hard work and integrity above profit. The team of skilled tradespersons, estimators, and administration work together to find solutions for our customers in the industries of mining, construction, and agriculture. Atlas Industries Ltd. worked closely with the agricultural community to develop replacement SS tube kits for air seeders. These long-lasting kits improve performance and replace up to half of the flexihose, lowering maintenance costs.

Products & Services Include:

- Replacement stainless pipe kits for air seeders
- Current designs include Seedmaster, Seedhawk and Bourgault.
